

Collaborative Leadership for Improvement

A practical leadership programme for senior and aspiring leaders across Norfolk who want to strengthen collaboration between primary and secondary care and make a bigger impact for patients, teams and the system.

WHY TAKE PART?

Strengthen your leadership confidence.

Build stronger relationships across teams.

Develop practical skills to lead change.

Learn alongside colleagues from across the Norfolk system.

Receive optional one-to-one leadership coaching.

Apply your learning to a live improvement project.

Showcase your work to system leaders.

WHO SHOULD APPLY?

- People in Leadership roles, including;
- GP's
 - ARRS Roles/Nurses involved in Leadership
 - Senior Leaders and Practice Managers
 - Hospital Consultants
 - Leaders in ICB or Trusts involved in Transformation

TOGETHER WE WILL TACKLE

-  Working within and across organisational boundaries
-  Building collaborative relationships
-  Leading change
-  Improving pathways
-  Influencing within and across complex systems
-  Creating sustainable improvement

Alongside the scheduled sessions, you will also be required to spend some time applying your learning through a practical project.
